TEEN PROGRAMS

TLC

TEEN LIBRARY COUNCIL

TLC has first dibs on volunteer opportunities, helps us run some of our events, helps with collection development (specifically in our young adult book collection), reviews feedback from Teen Forum, and helps decide the direction of our teen programming.

The meetings take place on the second Saturday of every month from 2-4pm.

**Applications for this group, Teen Tutoring, and Teens Teach Tech can be found on our website - or scan here:

teen tutoring

Put your skills to use outside the classroom! If you're good at a particular subject and interested in tutoring other teens OR middle/elementary school age kids, please submit your application on our website!

**This application requires an academic reference.

teens teach tech

Sign up to work a special help desk where folks in our community can ask for help with a program/software/app/phone question. Applications can be found on our website!

TEEN FORUM

This is an opportunity for all teens in our community to come together and tell us what they want from the library.

We discuss things like programs, events, books they'd like to see in the collection, and more.

These sessions can be used as an hour of community service and are held the second Saturday of every month from 1-2pm.

THERE WILL BE SNACKS!

VOLUNTEER opportunities

We are happy to announce two new teen volunteer opportunities: Any teen can come into the library Monday - Friday, 4-6pm or Saturday 10am-6pm to put books away or to shelf read. (We will show you how to do both!)
